

Sponsor Letter
Fall 2019

The Arlington High School Wrestling Team is building a reputation across the Mid-South and the state of Tennessee of being an exceptional program filled with fierce competitors of high character. Throughout the year, they train long and hard in the weight room, outdoors, and on the mat. These young men are held to high standards of discipline, academic performance, and honor. As a result, they are some of the fittest, best-trained athletes across the region and state in any sport.

Arlington Wrestling has become a top team in Tennessee. Recent success includes:

- 1st Place Team in the Regional Team Duals Championships the past five years
- 1st Place Team in the Regional Individual Championships the past five years
- 5th Place Team in the Tennessee State Duals Championships
- 3 Individual State Championship Medalists in 2018-2019
- 2 State Champions in 2018-2019
- 5 All-American wrestlers in 2018-2019; 4 returning for this season

The Arlington Wrestling Team's continued success on the mat is made possible through the support of the Tigers Takedown Wrestling Club and sponsors such as yourself. The Club is a 501(c)3 organization, run entirely by volunteers, which uses 100% of its donations to directly fund the AHS Wrestling Team.

Through contributions of time, talents, and money, we do three things:

- 1) First, we take care of all the details involved in hosting competitions, travel, logistics, and supplies so that the coaches and wrestlers can focus solely on training and competition. This involves funding several financial obligations such as travel expenses for the wrestlers and coaches and supplying food and drinks for the team at tournaments.
- 2) Second, we ensure that the coaches and wrestlers have all the tools and equipment they need to excel. Donations are used to purchase weight room and locker room equipment and supplies. For instance, in previous years we were able to purchase a couple of weightlifting machines and dumbbell racks.
- 3) Finally, the Club hosts an end of season banquet for the Tiger Wrestling Team at which awards are presented to recognize the hard work of the wrestlers and staff, as well as their achievements.
- 4) We are very proud to announce that our school board has recognized our accomplishments over the year and have approved funding for a new wrestling facility to be opened in the near future. There will be several financial needs to ensure the team has what it needs to be successful in their new building.

On the accompanying sheet, you will see that you there are several levels of sponsorship available. Your tax-deductible contribution at any level is greatly appreciated. With it, you will receive not only the satisfaction of being a part of a successful, local team, you will receive advertising for your business or organization in numerous ways as specified on the sheet.

Again, thank you for helping the Arlington Wrestling Team continue their legacy of athletic excellence and tradition of character development.

Tony Baudoin
President, Tigers Takedown Wrestling Club
